## MID-SIZE METROPOLITAN AREA

for recruitment and attraction of new business\*  
making it *the* ideal location for you. Discover what  
"Made in Canton" means for China businesses.

Canton, Ohio, puts you in the center of opportunity,  
as we are within 600 miles of 52% of the U.S.  
population and 44% of all Canadians.

## Top reasons your business should be "Made in Canton," Ohio.

### » Canton is Currently Home to 5,800 Businesses.

This includes the regional, national or global offices of several Fortune 1000™ companies including: The Timken Company, American Electric Power, Diebold Inc., Marathon Petroleum, Chesapeake Energy, Republic Steel and Old Dominion.

### » Location.

Canton is located at the intersection of two major highway systems: Interstate 77 and U.S. Route 30, connecting businesses to more than 50% of the nation's population in less than a day's travel.

### » Education for a Ready-to-Work Population.

The greater Canton region is home to five colleges and universities, each helping to provide local employers with a dedicated and highly trained workforce.

### » Air Travel Made Easy.

Conveniently located, the Akron-Canton Regional Airport (CAK) is one of the fastest growing airports in the country. No long lines or sky-high fares give local businesses the freedom to do business all over.

### » Rail Freight Service at Its Best.

The Wheeling & Lake Erie Railway Co. and Norfolk Southern Rail Co. operate more than 800 miles of freight line connecting Canton from coast to coast.

### » Foreign Trade Made Simple.

At CAK, the Northeast Ohio Trade and Economic Consortium (NEOTEC) operates Foreign Trade Zone #181. Local companies can economically deliver their products around the world.

### » EB-5 Visa Targeted Employment Area.

The visa provides a method of obtaining a green card for foreign nationals who invest at least \$500,000 and create at least 10 jobs in Canton, Ohio.

### » Oil and Gas Exploration.

The Utica Shale formation runs through eastern Ohio and has one of the world's largest deposits of natural gas and oil. Canton is centrally located above this formation with a world-class infrastructure, which is why the oil and gas industry refers to Canton, Ohio, as the Utica Capital.

### » Abundant Supply of Water.

If your company requires large amounts of fresh water for the manufacture or processing of your product, we have plenty of water for you. Canton owns and operates one of the largest underground fresh water aquifers in the state of Ohio at one of the lowest costs available.

### » Alternative Fuels Right Here Right Now.

Hydrodec North America, an Australian company specializing in sustainable resources technology, established its first North American plant in Canton. LG Fuel Cell Systems is headquartered on the campus of Stark State College of Technology. The college has partnered with The Timken Company to build a Wind Energy Research and Development Center.

### » Low Cost of Living.

This allows businesses to reap the benefits of low-cost production and increase overall profit margins. Employees can enjoy a higher quality of life because their income goes further here.

### » Pro Football Hall of Fame.

We've got that, but there's so much more to see and do. Canton is home to many historic landmarks, entertainment, restaurants, parks, and cultural events, including a downtown arts district.
